

MERIDIAN UNIVERSITY
OF BIBLICAL TRAINING

MISSION TO LIBERIA

Training Trainers and Planting a Church

We will be training leaders from Liberia, Sierra Leone, Guinea, and Cote d'Ivoire (Ivory Coast) who aspire to become Master Trainers. They are 3/4 through their training each having recruited six to disciple and each planting at least one church. Together, we will evangelize a community around Eagle's Nest Academy and plant a church there during the week of training.

Teaching Stories to the Children

Rosene will be teaching 150 children at Eagle's Nest Academy the Ten Commandments with a Bible story for each commandment. A friend is donating to the school an 8x10 banner with the Ten Commandments on them. The children are in English.

Constructing New Class Rooms

First Baptist Church of Sapulpa, Oklahoma is sending two men,

Vance Wiley and Dick Blodgett, to head up an African construction crew to add on rooms at Eagle's Nest Academy with 150 children enrolled. There is no school or church in the community. During the week our trainees will evangelize and plant a church there.

Vance Wiley

Leaving October 22

Dick Blodgett

The team will be leaving for Monrovia, Liberia on October 22. Ralph will meet with the trainees who are working on their master trainer certificates. Rosene will be working with the Eagle's Nest Academy teachers and students. Vance Wiley will supervise construction at the school. Dick will cook, help with construction, and assist with our church planting project.

***We count on
your prayers.***

We don't simply teach them, we train them.
